

SALMON - STEELHEAD - TROUT

The best kept secret of Seeker Fishing Rods has been our fresh-water rods. We have been producing Salmon, Steelhead, and Trout rods for over a decade and now we are bringing them to you. These rods are built on our composite and our all glass blanks. These actions have been time tested and proven to be perfect for Mooching, Trolling, Casting, or Bait Fishing. Look for these freshwater rods in your favorite tackle stores close to you.
