LAUNCHER - LONG DISTANCE CASTING FLOAT

Designed to launch light-weight lures and baits to maximum casting range. 50-75-100 yards are possible! Flat top design gives a special lure action on the retrieve. Unique top rigging gives a totally different result than anything offered before. Splashdown and action attracts fish and resembles feeding or schooling fish. Leader length varies with lure and fishing conditions. Leader length from 2 feet to the length of the rod.
