E/Z TWIST PRO

Make your own custom wire leaders with ease. The E/Z Twist Pro is so simple to use, you will be able to make hundreds of leaders in no time. In fact, some of our customers have sold their leaders to tackle shops to generate extra income. No longer will you search for the perfect length leader for your rigs. With the E/Z Twist Pro, you can make your own and always have them ready when you are.

Features:

- Wraps are consistent and look professional
- Models for 5-22 gauge wire
- Make the "eye" right on the unit, no extra tools
- All replacement parts available
- Make wraps "loose" or "tight" depending on preference

No.	Description	Price
DUB1250	E/Z Twist Pro (5-12 gauge / .014"-.029" / 44-174lb)	\$269.96
DUB1251	E/Z Twist Pro Deluxe (5-22 gauge / .014"-.050" / 44-500lb)	359.96
DUB1252	E/Z Twist Pro Head #4 (13-15 gauge / .031"-.035" / 195-240lb)	44.96
DUB1253	E/Z Twist Pro Head #5 (18-22 gauge / .041"-.050" / 325-500lb)	44.96
DUB1260	E/Z Twist Pro Barrel Wrap (5-15 gauge / .014"-.035" / 44-240lb)	224.96

E/Z LOAD CHUM BAG

The E/Z Load Chum Bag will take the hassle and mess out of using chum. The wide 14" diameter opening allows you to add blocks of chum without getting the "melted mess" from the previous block all over you in the process. The included rope will allow you to place the bag right where you want it and retrieve it easily.

No.	Price
DUB1215	\$10.10

BRONCO ROD TETHER

Unlike other safety lines on the market, this ten-foot rod tether recoils to half its size so there isn't a mess of rope or line in the cockpit! Wide loop attaches to rail, fighting chair, or other secure area onboard, and heavy stainless steel clip fastens to rod or reel to protect gear from going over.

No.	Price
RT10	\$20.85

SLIP-OVER ICE CLEATS

A must for winter sportsmen, these easy-on rubber cleats provide a positive traction on icy surfaces. Stretch rubber construction slips over most footwear and features full sole coverage with three double-rows of steel-toothed cleats.

No.	Price
DAIFCLR-L	\$7.43
DAIFCLR-XL	7.43

BOAT DISTRESS FLAG

This 3'x3' high visibility orange flag with black universal distress symbol printed on both sides is easily seen from the air or water and is recommended on all boats.

No.	Price
DAFBD	\$6.60

COMMERCIAL FISH BAG

This is the same bag used by charter boats for storing large fish on ice with minimal blood and slime transfer. Measuring 18"x40" this tough 4-mil polybag is ideal for transporting fish from boat to home.

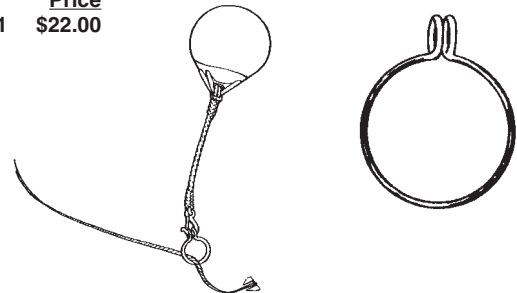

No.	Price
DAFB882	\$1.16

ANCHOR RING

Solid stainless anchor retriever ring. Easy opening to fit any anchor line.

No.	Price
WINFR1	\$22.00

ANCHOR RING LIFT SYSTEM

Use the buoy's floatation and your boat's power to raise the anchor. Anchor ends up floating behind the boat where it can be easily retrieved without the normal hassle. Ring is made of stainless rod with welded ring eyes. Kit includes hook, buoy and spliced line and anchor ring.

No.	Price
ARS10	\$112.50

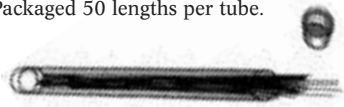

COPPER RIGGING WIRE

Soft copper 9" (22.9cm) lengths are extremely flexible and ideal for rigging live and artificial baits. Packaged 50 lengths per tube.

No.	Price
CRW1	\$3.05

MERRICK TACKLE RIGGING FLOSS

For rigging all types of bait. 4oz. spool with needle. Polyester/waxed. 70 lb. 500 ft. per spool

No.	Price
NTD602	\$7.49

TYING STRONG FISHING KNOTS

By Bill Herzog. We have all had a knot break or come undone on a big fish. Use this extremely helpful book to tie excellent knots. Crisp, easy-to-understand illustrations and text show you how to tie all the general and specialized fishing knots you'll ever need, as well as fly fishing knots. This is a handy book to keep in your tackle box. 5 1/2" x 8 1/2", 48 pages.

No.	Price
AMA57188	\$4.60

WAXED BAIT RIGGING FLOSS

This multipurpose waxed nylon is ideal for all of the following applications: wrapping skirts and tails to jig and lure heads; wrapping monofilament and dacron splices; wrapping and tying bait to hooks; wrapping or tying wire bundles. Color: White

No.	Size	Price
0760035135	35 lb. test, 135 ft. spool	\$4.07

0760018010	18 lb. test, 100 yd. spool	2.60

SPLICING TAPE

This multipurpose waxed nylon is ideal for all of the following applications: wrapping skirts and tails to jig and lure heads; wrapping monofilament and dacron splices; wrapping and tying bait to hooks; wrapping or tying wire bundles. Color: White

No.	Size	Price
0908000001	35 lb. test, 45 yd. spool	\$4.92
0908000002	70 lb. test, 20 yd. spool	3.98

HAYWIRE TWIST TOOL

Make perfect haywire twists every time. Now you can wrap leader wire into clean, even twists, just like the pros. Use this tool to rig Tooth Proof® #3 through #14 and other single strand stainless steel wire diameters .012" (0.30mm) - .33" (0.84mm).

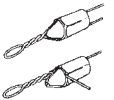

No.	Price
TPTWISTR1	\$10.75

DuBro E-Z TWIST

From muskies to marlins now anyone can make their own single haywire twist leaders stronger than the pros.

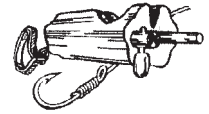

No.	Description	Price
DUB1095	E/Z Twist #1 for 3—8 gauge wire	\$11.42
DUB1096	E/Z Twist #2 for 9—13 gauge wire	13.04

NAIL KNOTTER TOOL

Makes snelling or tying nail knots a cinch.

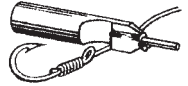

No.	Price
DUB1115	\$11.15

KWIK-TIE HOOK SNELLER

Easily tie nail knots, snell hooks, snell trailing hooks, tie tow lines together or even tie live baittrigs.

No.	Price
DUB1116	\$3.72

WIRE STRAIGHTENER

Easy to use straightener for leader from 10" to 10'. Also works on stranded cable.

No.	Size	Price
DUB1093	Medium	\$10.61
DUB1094	Large	10.61

CRIMP PROTECTOR

A nylon luminescent sleeve used to protect your crimped mono from chafing and cutting caused by the sleeve or the fish. Also makes a perfect cushion between lure and hook set and is ideal for deep drop rigs. From mono up to 2.2 diameter.

No.	Description	Price
RA61041	5 pack	\$1.59
RA61042	100 pack	25.50

WIND ON SWIVEL WIND ON LEADERS

Now you have the control of big fish right at the boat with leaders you can reel through your tip and guides and right on the reel. IGFA approved 25-foot Braid Power Play™ Wind-On leaders come with flexible press-lock fit and snugging sleeves connected to a length of woven Dacron. These attach to Momoi, low-visibility, smoke blue mono in 100- to 400-pound test. Complete instructions included.

BLEEDING LEADER WIRE

Bleeding Leader™ Wire is the world's first RED nylon coated leader wire. The unique Blood-Red nylon coating mimics actual blood in top water fishing conditions to attract fish. In deeper water, the color Red is filtered out faster than other colors on the spectrum and 'vanishes' to fish. Bleeding Leader™ Wire is ideal for all types of toothy fish and is made from our strong 1x7 stainless steel SURFLON® leader wire.

GRAND SLAM® TOURNAMENT GRADE ALUMINUM SLEEVES

Grand Slam Tournament Grade Sleeves are manufactured to exacting tolerances and are available in a complete range of sizes to meet any rigging need. Aluminum sleeves, or swages, are the crimp of choice for use with monofilament, but they have to be extruded from the perfect alloy so they will compress consistently without cracking or deforming. They have to be consistently sized to match the diameter of the line. They must be free of burrs and sharp spots so they won't chafe or cut. You can't buy a better sleeve!

SPRING WIRE LOOP PROTECTORS

No loop connection is complete without some type of anti-chafing gear to protect leader material from friction and abrasion that can be caused by hooks or swivels under extreme pressure. Spring Wire Loop Protectors are recommended for use with monofilament leader material and act as a barrier to protect and increase line longevity.

No.	Letter Size	I.D.	Color	Pieces	Price
HIHALP15GR	E	1.5 mm	Green	10	\$1.17
HIHALP17GR	F	1.7 mm	Green	10	1.17

HIHALP23GR	H	2.3 mm	Green	10	1.21
HIHALP25GR	I	2.5 mm	Green	10	1.26

STAINLESS THIMBLES

More durable than Plastic Thimbles, Stainless Steel Thimbles protect line and wire leader from wear on downriggers and big game rigs. Thimbles fit line/wire diameters up to 3.5 mm diameter.

No.	Max Line Size	Size	Pieces	Price
HIHATHSSS10	up to 1.7 mm	Small	10	\$1.68
HIHATHSSM10	1.4 mm - 2.8 mm	Medium	10	2.02
HIHATHSSL10	2.5 mm - 3.5 mm	Large	10	2.10

LUMINOUS THIMBLES

Luminous Thimbles are recommended to protect line from wear on small and big game rigs. Thimbles fit monofilament line sizes up to 2.2 mm diameter. Thimbles glow in the dark.

No.	Max. Line Size	Shape	Pieces	Price
HIHATHPT10	up to 2.2 mm	U	10	\$1.29

LUMINOUS RATTLE

Scientists know that game fish are attracted to certain sound waves. That's why these unique rattles are so popular with offshore fishermen. They contain a single large ball bearing inside a tuned chamber of luminescent plastic that puts out a distinct click as it rolls from one side to the other. No shark or swordfish rig is complete without one, and even marlin and tuna fishermen are using them. Charge them under a light source and they glow in the dark.
