RETURNS: If you receive a defective or incorrect product, call 845-688-2216 to obtain a return authorization—a return form and label that must accompany the return. Returns made without a return authorization will be refused by our receiving department. Notification of returns due to an error on our part in filling your order must be made within 7 days. Returns must be made within 20 days. If you order an incorrect catalog number or an item does not meet your needs, a return approval will be at the discretion of management, and may be subject to up to a 25% restocking charge. Cost of return shipping is the responsibility of you, the customer, unless Merrick Tackle is responsible for the error, or if a newly-shipped item is determined to be defective. **DO NOT CHARGE FREIGHT TO OUR SHIPPING ACCOUNT OR SEND RETURNS C.O.D.** If you refuse a package you ordered, you will be responsible for the round trip freight. Call us if you wish to cancel any backorders. If a defective item is used, we must send it back the

manufacturer for repair or replacement. The manufacturer has final say regarding repair or replacement. We group returns and usually send out one bundle per month. You may return items directly to the manufacturer for faster service. Please contact the manufacturer first to obtain a return authorization.

PAST DUE ACCOUNTS: Past-due accounts will be subject to a service charge of 1.5% per month (18% per year). Past-due accounts will be shipped on terms of C.O.D. cash only, or charge card. Accounts that are turned over to collection are liable for all collection fees.

BOUNCED CHECKS: Are subject to a \$35.00 bank charge and the forfeiture of the discount on that invoice. The discount **WILL** be charged back to your account, in addition to the bank charges. In the event of a **second bounced check**, your account will automatically be placed on a **C.O.D CASH ONLY** basis, in addition to a **\$25.00** bank charge. You will also be charged back any free freight.
